**Award-Winning and Bestselling Author, Lynette Eason, Writes Her Best Novel Yet**

“*Taut writing and breakneck pacing will appeal to readers of Terri Blackstock.*”

Summer Abernathy wakes up one morning to find her husband missing, three men in her home intent on finding him, and the life she’s been living based on a lie. Which Kyle Abernathy did she marry? The computer programmer she met in line at the bank? Or the one who was apparently using that image as a cover story?

The search for her husband—and answers—takes Summer ever deeper into a world of organized crime where people are used one moment and discarded the next. And with her deepest relationship of trust already shattered, Summer doesn’t know who to believe.

Lynette Eason became fascinated with writing when she was a stay at home mother. She penned her first novel in 1999 and eight years later finally received THE CALL. She now travels around the country speaking and teaching at writers’ conferences. She is often found in Christian bookstores doing book signings and greeting fans.
